

LEARNING ALLY AUDIOBOOK SOLUTION

A proven reading accommodation in helping students turn into happy and successful readers and learners.

Great News! Now that you are a Learning Ally member, your child has **access** to our library of over 75,000 human-narrated audiobooks.

No worries—listening to human-read audiobooks is not cheating. They have been proven to help kids reach their academic potential! Audiobooks reduce the stress of reading, help students access grade-level materials, and allow them to read the books they want to read. Using the Learning Ally Audiobook Solution reduces homework time and increases engagement, confidence, and academic success.

Follow the instructions to download the audiobook app so your child can work independently to access ALL the books they need and want to read.

Frequently Asked Questions

Is there a way to review a listing of books my child has read?

Yes! You can go to the Parent Dashboard in your app to review the books that are on your child's bookshelf, along with the pages read from each book.

Can my child listen to audiobooks offline?

Yes! Just download any books from their bookshelf before going offline. Remember to stay logged in to your account to ensure you have access to the books at all times. To ensure this works, test your book offline before disconnecting from any available internet connection.

How do I remove a book from my child's bookshelf?

To remove a book from your child's bookshelf:

1. Log into your account
2. Select the appropriate child on your dashboard
3. Select Remove From My Bookshelf next to the books you want to remove

How do I renew my membership or update my profile?

To renew your membership, follow the steps [here](#). You can also call Customer Care at 800-221-4792 to make a payment over the phone.

How can I determine if my child is eligible to use the Audiobook Solution?

Visit our [Eligibility Process for Household Memberships](#) section of our website to find resources to help you navigate your child's educational journey.

Who do I call if I have questions about my account?

Please call our Customer Care team at 800-221-4792. They can assist with your account and help you/your child start reading as soon as possible.
