

Get Started with Learning Ally Audiobooks Today!

The Learning Ally Audiobook Solution: An Inclusive Resource for Struggling Readers

The Learning Ally Audiobook Solution® is an **evidence-based, multimodal reading tool** designed to create equal opportunities for students facing reading challenges. It offers access to a vast library of many thousands of culturally relevant, curriculum-aligned audiobooks, including literature, popular fiction, nonfiction (including primary sources), and textbooks. This enables students to concentrate on their learning and foster effective reading habits.

Get your students reading in 3 easy steps!

- 1 Build your Dashboard.** Log into Learning Ally through Schoology. You will find Learning Ally on the left hand side or by installing us through the "Waffle" icon. Once on your Learning Ally Dashboard:
 - Add your students to your dashboard by selecting [Manage Students](#)
 - Provide their [eligibility criteria](#)
- 2 Introduce Learning Ally Audiobooks to your students**
 - Show them how to [log in](#)
 - Use a [Scavenger Hunt](#) to help them navigate the features of the app
 - [Assign](#) a great first book
- 3 Celebrate their reading!**
 - Engage them with the [Learning Ally Reading Programs](#)
 - Monitor their reading on [your dashboard](#)
